

ENDURING MATERIAL: Determining Substance Abuse Treatment Needs

Presented by:

Chris Townsend, Ph.D., LPC, AADC, CCA, NCC

Assistant Professor - Department of Clinical Counseling and Mental Health

Taylor Harder, Hannah McCool and Michelle Onuoha

Medical Students

Texas Tech University Health Sciences Center

Effective Dates:
March 1, 2023 - Feb. 28, 2026

OBJECTIVES:

- > Determine how ASAM Criteria is used for treatment placement
- > Discuss ethics of collaboration with counselors on substance abuse patient care
- > Identify signs/symptoms that an individual is suffering from substance use disorder
- > Identify children who have been affected by addiction and know the impact it has made on the children's lives
- > Provide addiction preventative care to patients requiring pain management

Learners are required to pre-register using the following link:

<https://cmetracker.net/TTUHSC/Publisher?page=pubOpen#/EventID/37355/>

Once registered, your confirmation letter will contain the link to the enduring material. Please read instructions prior to completing the educational intervention.

Accreditation & Designation Statements:
