A Spotlight on Rett Syndrome: Delayed Diagnosis, Patient/Caregiver Perspectives and Evolving Treatment

Alan Percy, M.D.

Professor

Department of Pediatrics

Division of Pediatric Neurology

The University of Alabama at Birmingham

Birmingham, Alabama

Upon completion of this session, the participant should be able to:

1. Identify the early signs and symptoms of Rett syndrome and recognize the impact of delayed diagnosis on patient outcomes.
2. Incorporate patient/caregiver perspective into clinical decision making for Rett syndrome.
3. Assess how new and emerging treatment options may help address current limitations in the management of Rett syndrome.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
